app/api/profile/me	GET	Get authenticated user profile — for Razorpay prefill

15. Investor Audit — Key Findings

Rating: 4.2 / 5 — Seasoned investor, serial entrepreneur perspective

What Was Praised

Feature	Investor Comment
Design & Branding	Looks like a funded startup — dark green + gold is confident and premium
Conversion Funnel	COD trial → Subscription → Wallet is textbook consumer conversion
Wallet Float Model	Collect money upfront before delivering — superior cash flow like Zepto/Blinkit
WhatsApp Notifications	98% open rate vs 20% email — you are in the customer's chat
Farm-to-Door Section	Radical transparency answers every skeptical customer question
PWA Implementation	No Play Store friction — smart call for apartment customers
Subscriber Limit + Waitlist	Best business decision — scarcity is most powerful psychological trigger
Loyalty + Streaks + Badges	Retention gamification — 365-day streak customer does not cancel

Improvements Made Based on Audit

Action	Status
Added 2hrs farm-to-door in hero	✅Done
Added From Rs.35/day pricing in hero	✅Done
Removed Coming Soon A2 milk	✅Done
Added referral section on homepage	✅Done
Changed guarantee to report by 6PM same day	✅Done
Added wallet explanation on subscribe page	✅Done
Product photography recommended	☐ Invest Rs.15,000 — 20-30% conversion boost
Add social proof numbers in hero	☐ After 50+ customers
Google Maps delivery zone	☐ Pending
Society/Apartment tie-up page	☐ Future — 10x subscriber potential

A2 milk waitlist with deposit	□ Future revenue opportunity
Gift a month feature	□ Future — festival gifting

16. Pending Tasks & Roadmap

□ Critical (This Week)

Task	Notes
WhatsApp templates approval	Waiting for Meta — check daily
Permanent WhatsApp access token	Set up System User in Meta for non-expiring token
Google My Business	Set up after 50 customers
Product photography	Rs.15,000 — 20-30% conversion increase

□ Important (This Month)

Task	Notes
Zapier integration	Connect to Google Sheets, automate workflows
Notion setup	Manage all 3 businesses in one place
Sentry error monitoring	Track production errors automatically
Add social proof to hero	After 50+ active subscribers
Google Maps delivery zone	Show delivery area visually
Society/Apartment program page	Bulk acquisition strategy

□ Future (3-6 Months)

Task	Notes
Android App	After launch stability confirmed
A2 Milk waitlist + premium pricing	Rs.80/L vs Rs.65/L — double revenue potential
Gift a month feature	Festival gifting — wallet infrastructure ready
250ml trial pack	Lower barrier — Rs.20 COD
Milk Pass (90-day prepaid)	10% discount — 90 days cash upfront
Delivery route optimization	Auto-sort by proximity
Family plan	Multiple addresses one account (after 100 customers)
Inactive account archival	6 months inactivity auto-archive
